U-Print Addendum Stickers

Professional looking Addendum Stickers that you print yourself. The top image will be specific to your dealership.

These stickers can be printed directly from your inventory system using most laser or inkjet printers. The Addendum Stickers are 4.25" by 11" and can be purchased from many dealer supplies companies.

Even if your state does not mandate Addendum Stickers, these are an excellent information source for buyers visiting your site at any time, day or night.

Your Addendum Sticker can include a QR Code, shown here. This code can be scanned by most cell phones and will display the Vehicle's Detail Page from your inventory system.
